## What Residents are Saying

### SM.

"I've had such a great experience at Vilara, and especially maintenance at Vilara — the entire team is responsive, professional, and always kind. Every request I've submitted has been handled quickly and with care. That said, Ricky deserves a special shout-out. He consistently goes above and beyond — not only is he prompt and efficient, but he always brings a positive energy and a friendly smile, and he even takes the time to recommend helpful products or tips. You can tell he genuinely cares about the work he does and the people he helps. Vilara is already an amazing apartment complex, but it's the people who show up every day to maintain and care for it — like Ricky and the rest of the maintenance team — that truly make it feel like home. They're the reason this place is so priceless!!!"
