What Residents are Saying

SM.

"I cannot begin to explain how amazing this staff is and the complex itself. I have lived here for almost a year now and have been treated with such grace by Veronica and the leasing office staff! From going out of their way to accommodate me and my growing family to everyday living, two words...Simply amazing. Thank you for all you do!"

Orange Theory Fitness

The Fit Future is Orange! Start the New Year off right with fitness goals. A few minutes away from Vilara is Orangetheory! This workout is based on the five heart rate training zones. Unlike high-intensity interval training (HIIT), you adjust your level of effort during the workout based on what your heart tells you. The goal is to spend 12 to 20 minutes with your heart rate elevated in the "Orange Zone" to boost your metabolism, burn fat, and burn more calories.
