LOVE NOTES

JG.

"I've lived at Vilara since 2022 and can say it's truly a place I call home! The apartments are spacious and clean. Love the EV charging, the property has made so many upgrades since I moved in to keep it looking fresh for tenants. It's obvious they put a lot of care into the community. They recently upgraded their dog park which is a HUGE plus for all the dog owners here. Dog owners gave feedback for a clean dog park and management listened which is so rare! Michael in the leasing office is one of a kind. He goes above and beyond to make sure I'm taken care of and happy living here. Ricky and Brian at maintenance are super friendly and always fast and ready to help. The neighbors in the building are all great and I feel very safe living here. The gym is always clean and my favorite gym overall. 10/10 recommend"
