St. Patty's Coffee & Matcha

Lucky sips, good company, and a whole lot of green

Our St. Patrick's coffee + matcha moment was everything we love about life at Vilara — neighbors showing up, sharing laughs, and enjoying the little things together.

Grateful for everyone who came out to celebrate with us... already counting down to the next one

What They're Saying

HS.

"I live at the apartment community next door to Vilara, and I wanted to share a really kind experience I had this

weekend. On Saturday around 8:30 PM, our community's fire alarm started going off and it was incredibly loud and stressful, especially with our dogs.

Even though we are not residents of Vilara, the employees there noticed what was happening and opened their office after hours to help us and several other residents from our building. They welcomed us inside so we could get away from the noise, offered us refreshments, and gave us a comfortable place to sit with our dogs until the alarm at our property stopped.

They absolutely didn't have to do that for people who don't even live there, but they did anyway, and it showed a lot about the kind of team they have. It was such a thoughtful gesture and made a stressful situation much easier. Huge thank you to Vilara for going out of their way to help their neighbors!

Pet Of The Month

Kira

Our April spotlight is shining bright on a very special neighbor—

Meet Kira, Vilara's official Pet of the Month! This spirited six-year-old Husky is a true local celebrity, known for her bold personality and those famous "husky conversations" that win over everyone she meets. Whether she's exploring on a long walk, adding to her impressive toy collection, or negotiating for an extra scoop of peanut butter, Kira brings a perfect mix of puppy energy and signature sass to our community. She's so special that she even inspired her owner's career as a Veterinary Technician! We are so lucky to have this talkative, soulful, and joy-filled girl as the heart of our Vilara family. Congratulations, Kira!
