Flower Bouquet Making

Mother's Day at Vilara

We loved celebrating the moms and mother figures in our community with a DIY flower bouquet-making event filled with beautiful blooms, good conversation, and such sweet energy all around. Everyone created their own gorgeous arrangements, and it was so fun seeing each bouquet come to life.

What They're Saying

SP.

"have been living here since 2020, and I have a truly great experience in this community. The management and maintenance teams have always been kind, professional, and very helpful, and I really appreciate all the support they provide to residents.

Ricky from the maintenance team is absolutely amazing. He is always friendly, responsive, and goes above and beyond whenever we need help. Every maintenance request is handled quickly and professionally, and he genuinely cares about helping people.

I also want to thank Michael and Maricela from the management team. They are always so kind, patient, and helpful whenever I need assistance. Their professionalism and positive attitude truly make this community feel welcoming and well cared for.

Thank you all for making this such a wonderful place to live! Our community is lucky to have such an amazing team!"
