Succulent Social

We planted a little joy at Vilara

Our succulent social brought neighbors together for a night of creativity, connection, and the sweetest little details. From building custom terrariums (tiny bees and all) to enjoying succulent-inspired baked treats, it was one of those evenings that remind us why we love calling this place home.

At Vilara, we don't just live side by side — we live and grow together.

Pet Of The Month

Happy

Pet of the Month: Meet Happy!

Meet Happy, a 12-year-old Bichon Frise originally from Northern California who is living up to his name here at Vilara! This small, fluffy "care bear" is the definition of a sweetheart. He truly believes that every person he passes in the hallway is just a best friend he hasn't met yet.

Happy loves the social life at Vilara, where he's been busy expanding his horizons by making friends with neighbors, fellow pups, and even the local cats. When he's not out networking or on a road trip with his dad, you can find him catching up on some serious beauty sleep. However, Happy also has a surprisingly sophisticated side: when his dad is away, he enjoys binge-watching 80s classics like The A-Team and Miami Vice. Clearly, he's a dog with impeccable taste!

As far as snacks go, Happy isn't picky—his favorite food is "anything edible," and he's highly motivated to prove it. If you see this charming gentleman around the community, please stop and say hi; he's always ready to trade a tail wag for a friendly greeting!
