What They're Saying

ACB.

"We just wanted to say a sincere thank you to Michael and Chris for showing us the beautiful Vilara community. We loved it and couldn't agree on which floor plan would best suit our needs given the availability and time window that we need to move. Although we're not going to be residents at this time, we wanted to say how impressed we are with the community, amenities, and leasing professionals.

Thank you again for your time in giving us the tour and answering our questions!"
