What Residents are Saying

GK.

"A great place to live and most importantly, an amazing and helpful leasing team who is always there. Everyone on the team is great but I have always dealt with Simona and let me tell you she is one of the sweetest people you will ever meet. I didn't get the chance to visit the apartment complex before my move as I was moving from miles away but Simona has been so helpful and she has made the process so smooth for me. Also, Michael is so friendly and attentive, such a sweet guy. There were many other options to consider but I went with Vilara due to the incredible staff. Vilara is a beautiful community with great amenities and very well maintained."
